

Umbrella Company Service

Enjoy the freedom of working as a contractor without having to run a Limited Company.

The NoPalaver Umbrella solution is for contractors who want to operate through a limited company but who do not want the risk or hassle of running their own company, or where the agency insists on an umbrella company being used. This is a PAYE based employment solution with the added benefit of obtaining tax and National Insurance relief on business related expenses which have been incurred.

Service benefits you'll receive from The NoPalaver Group.

- Be fully compliant with HMRC on taxation of contractors.
- Have no IR35, VAT, Business bank account or tax issues.
